Hi Karl,

Sorry for my delay. I didn't have the record of the 2 smaller transfers on orders for SQRL. This is because the money was actually sent to Allmine. Tom was able to confirm receipt though. There's a slight difference in the two values. You show \$774,523.51 and our records indicated \$744,373. I've attached the reconciled spreadsheet.

Best,

Jessica Gritzan

Hi Jessica,

Were you able to do the audit on your end?

I think that before we can proceed any further it's necessary that we agree on the total amount. If you have doubts about any of the entries in my list I can provide you with official records from my bank.
